

## XL A-FRAMES

**Our patented High Wind Harness holds our roof panels securely and outperforms any other A-frame wind kit.**

**8'** Our A-frame campers provide eight generous feet of headspace. Feel free to stand tall with Chalet.

**Lightweight construction and collapsible design allow for fuel efficiency, easy towing, and convenient storage.**

**Keeping campers and wild life safe, campgrounds assign sites based on camper type, our hard sided campers allow access to more remote sites.**

**Optional hard sided dormers keep campers comfortable and provide 80" of head space. With our dormer, there's no canvas to dry out or replace.**

**High quality vacuum bonded sidewalls and roofs help keep our campers comfortable, regardless of what's happening outside**

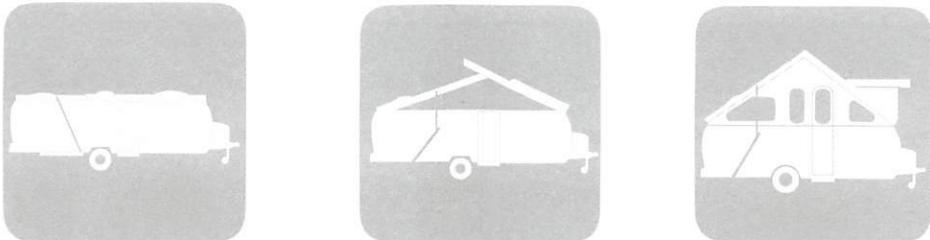

**Spend more time enjoying the outdoors. Set up and take down our A-frames in less than thirty seconds.**

**The XL line comes standard with our patented Power Lift System. No heavy overhead lifting and no push poles. Set up and take down with the push of a button.**

**Our A-frame campers are built on powder coated steel frames, providing a sturdy foundation and years of rust protection.**

**Our unique, high quality vacuum bonded flooring with insulated laminate is lightweight and rot resistant.**

## XL 1920

1995 lbs 18'7"

Opt. Expanding Hard sided dormer

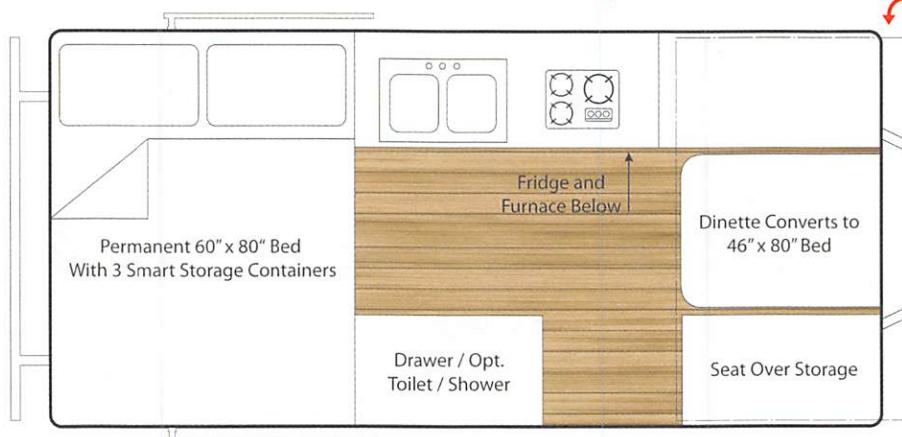

Opt. Expanding Hard Sided Dormer

The XL 1920 A-frame trailer provides ample sleep or storage space with the addition of a bunk bed to the standard features of our XL line such as 8' of headroom, bathroom with optional shower, and residential height counter tops. With our convertible queen size dinette and bunk bed, the 1920 comfortably sleeps 4 adults. The XL line of trailers provides easy set up with our Patented Electronic Roof Lift System. Optional Wet Bath (cassette toilet and shower) and Dormer are also available

## XL 1930

1995 lbs 18'7"

Opt. Expanding Hard sided dormer

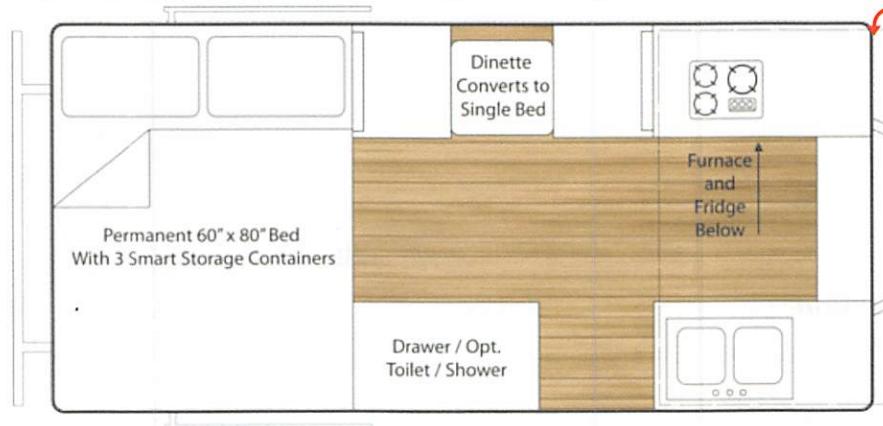

Opt. Expanding Hard Sided Dormer

The XL 1930 A-frame trailer is our most popular XL trailer, offering a permanent queen bed, under bed storage, eight feet of headroom, and residential height countertops. The XL line of trailers maintains the essence of an A-frame trailer, a self contained folding trailer with large storage, low maintenance, easy towing, and quick set up with our Patented Electronic Roof Lift System. Optional Wet Bath (cassette toilet and shower) and Dormer are also available

## XL 1935

2165 lbs 18'7"

Std. Expanding Hard Sided Dormer

The XL 1935 A-frame trailer offers the most floor space of any Chalet model, and comes standard with a large hard sided dormer and significant counter space and storage. A permanent queen bed is built into this unit, and dinette converts to allow sleeping space for 3 adults. Standard features expanding hard sided dormer, and quick set up with our patented Electronic Roof Lift System. Optional wet bath is available with cassette toilet and shower.
